Team leaders: Gregory Polanco (23 homers, 81 RBI, 75 runs scored); Starling Marte (20 home runs, 72 RBI, 81 runs scored, 155 base hits); Jameson Taillon (14 wins, 179 strikeouts); Trevor Williams (14 wins, 126 K's)...As a team, the Buccos hit for a .254 batting average (fourth in the N. L.) and 157 homers (13th)...On the pitching rubber, the staff posted a 4.00 ERA, good for fourth in the league despite the trade of top-end starter Gerrit Cole to the Astros during the off-season...Early in the year, the Pirates held first place for 24 days as late as May 17th. After hovering around the .500 mark the majority of the season, the Pirates’ hopeful felt the team had gained much-needed momentum to challenge for the NL Central lead after they reeled off an 11-game winning streak, July 11th through the 24th. However, after that date, Pittsburgh would finish the schedule 29-30 and 13 games behind division champ Milwaukee. The Bucs took the season series, 12-7.
