Notes: Asterisks represent player-managers/coaches.

<sup>1</sup>- Carleton and Grove moved from Richmond to Wilmington during the season; Harder from Wilmington to Richmond.

<sup>2</sup>- Durst and Shevlin were used only as pitchers in the APBA, a throwback to the 1931 Mutual League season when only cards representing 1931 non-major leaguers were used and there weren't enough real pitchers to go around. Durst pitched for both Portland and Concord here.
