DEATAILED EXAMPLE OF PLAY:

Brooks Koepka, Henrik Stenson, D.J. Trahan and Brendon de Jonge will be playing the 1st hole of the 3rd round of the Desert Classic at the Stadium Course in La Quinta, California.

HOLE 1: Par 4, 446 yards with a hole difficulty adjustment of +10.

1st shot De Jonge (55): Drive hits the Fairway.

1st shot Trahan (82): Drive finds the Rough (-25) adjustment to any Gim+ putt AFTER a 1ST putt.

1st shot Stenson (98): Drive finds the Bunker (-35) adjustment to any Gim+ putt AFTER a 1ST putt.

1st shot Koepka (00): A Par 4 Drive? Shot on EXCEPTIONAL SHOT TABLE results in a Great Drive, Auto GIR.

2nd shot De Jonge (12): GIR

2nd shot Trahan (99): A Go for the Green! / Par 3 Tee/Approach Roll Again Shot on PENALTY?/VERY POOR SHOT TABLE results in 00 – 50: Out of Bounds/Lost Ball OR 51 – 99: Bad Lie in Rough 1/2 R*. results If a (30) is then rolled, Trahan will suffer a 1-stroke penalty and have to shoot again from the Rough.

2nd shot Stenson (77): Rough.

2nd shot Koepka (no roll needed): Remember, his exceptional shot guaranteed his 2nd shot hits GIR.

3rd shot De Jonge (35): Excellent GIR putt for BIRDIE! De Jonge’s 00 – 26 GIM card putt range was adjusted to 00 – 36 by the hole difficulty adjustment of +10 for being the first putt attempted.

3rd shot Trahan (no roll needed): Remember, his penalty shot guaranteed a 1 stroke penalty.

3rd shot Stenson (50): Short game R* rough shot was poor.

3rd shot Koepka (45): GIR putt just lipped out leaving a 4th shot Gim+ to save Par. Remember, on every single first putt of a hole, must adjust by the hole difficulty adjustment. Koepka GIR card range of 00 – 34 is adjusted by +10 to 00 – 44.

4th shot Trahan (05): This time Trahan finds the green and will be taking his GIR putt to save Bogie, despite the stroke and distance penalty!

4th shot Stenson (71): 1ST putt missed, even though Stenson’s 1ST putt card range was adjusted by +10 to 00 – 49 because of first putt of hole. Poor play so far, left Stenson with a short-sided pitch to green, which will have a –35 adjustment to his Gim+ card range because of hitting the Bunker on his tee shot.

4th shot Koepka (89): Easy Gim+ putt catches the edge of hole, but falls in for PAR!

5th shot Trahan (36): GIR putt made for a great BOGIE save after having suffered a penalty. Trahan's GIR card range was +10 hole difficulty adjusted for being first putt of hole from 00 - 31 to 00 - 41.

5th shot Stenson (75): Failed to sink more difficult than usual Gim+ putt because of poor play which -35 adjusted his Gim+ card range from 00 - 98 to 00 - 63!

6th shot Stenson (33): Easy Gim+ for DOUBLE BOGEY!

Hole 1 scores:

-1 De Jonge

+1 Trahan

+2 Stenson

HOLE 2: Par 4, driveable dog leg 372 yards with a hole difficulty adjustment of -14.

Go for the Green! rolls: De Jonge (52) No; Trahan (31) Yes; Stenson (02) Yes; Koepka (70) Yes

1st shot De Jonge (48): Fairway

1st shot Trahan (33): Onto the Fairway, just short of the Green. Remember, when Going for the Green!, the On the Green! range is considered. Since Trahan's roll of 33 was greater than his On the Green! card range of 01 - 28, but less than his GIR card range of 29 - 67, the result is considered to have landed on the Fairway, just short of Green.

1st shot Stenson (95): Bunker near green.

1st shot Koepka (20): On the Green!

2nd shot De Jonge (65): Just missed Green, onto the Fringe.

2nd shot Trahan (77): Poor pitch. Remember, when shooting from Fairway, just short of Green, use golfer's F* card range with a -30 adjustment. Trahan's F* card range was adjusted from 01 - 80 to 01 - 50.

2nd shot Stenson (00): Holed out from Bunker for EAGLE! A look at the Exceptional Shot Table shows any Short Game (R*, F* or B*) shot is Holed!

2nd shot Koepka (33): Missed! Remember, first putt of hole requires a -14 hole difficulty adjustment to Koepka's GIR card range from 01 - 34 to 01 - 20, therefore missing the putt for Eagle.

3rd shot De Jonge (99): Very poor pitch sees ball not make it up to back ledge of green and rolls right back near his feet. Remember, Penalty! Table result for Short Game and Putts is to have to execute a similar shot again.

3rd shot Trahan (20): Despite -14 hole difficulty adjustment of Trahan's 1ST putt range for being first putt of hole from 00 - 37 to 00 - 23, he manages to sink the putt for BIRDIE!

3rd shot Koepka (98): Lipped putt again, this time it's missed!

4th shot De Jonge (12): Much better Pitch to near hole.

4th shot Koepka (50): Taps in for a disappointing 3-putt PAR, after driving the Green!

5th shot De Jonge (60): Taps in for BOGIE.
