

CHARGE CHART

To CHARGE a driver must:

- Have reached one of the final 2 lap segments in the race
- Be between 30 to 50 points behind the leader on the 2nd last lap segment of the race
- Be between 10 and 30 points behind the leader on the final lap segment of the race
- Roll an even number

To COAST a driver must:

- Have reached on of the final 2 lap segments in the race
- Be 35 points or more ahead of the nearest competitor
- Roll an even number

Drivers Card Result	Charge	Coast
+15	+20	+5
+10	+15	0
+5	+10	0
0	+5	0
-5	0	0
-10	-5	0
-15	-10	-5
MECH	Result & -20*	As per chart
CRASH	Result & -20*	Rating-10^
2 nd CH: Odd # 51-59	Out of gas= -40	

* in Charge mode rolls of **00** and **01** are also automatic **MECH** and **CRASH** results respectively

^Subtract 10 from the CRASH range rating. If this reduces the CRASH rating to 0 or less, treat only a roll of 0 as a CRASH.
